	Foreword	iii
	Preface	v
	Acknowledgements	vii
	<b>Chapters</b>	
1	Diversity of <i>Garcinia</i> species in the Western Ghats P. S. Shameer, K. B. Rameshkumar and N. Mohanan	1
2	Structural diversity of secondary metabolites in <i>Garcinia</i> species A. P. Anu Aravind, Lekshmi N. Menon and K. B. Rameshkumar	19
3	Phytochemical investigation of the Western Ghats endemic species <i>Garcinia imberti</i> Bourd. K. B. Rameshkumar, Renu Pandey, Lekshmi N Menon, Brijesh Kumar and V. George	76
4	Phytochemical investigation of the Western Ghats endemic species <i>Garcinia travancorica</i> Bedd. A. P. Anu Aravind, Renu Pandey, Brijesh Kumar and K. B. Rameshkumar	87
5	Leaf volatile chemical profiles of <i>Garcinia</i> species in the Western Ghats K. B. Rameshkumar, A. P. Anu Aravind and Lekshmi N. Menon	101
6	Rapid estimation of bioactive constituents of <i>Garcinia</i> species in the Western Ghats using UHPLC-MS/MS method Renu Pandey, Brijesh Kumar and K. B. Rameshkumar	113
7	Morphological, chemical and molecular taxonomy of a new <i>Garcinia</i> species- <i>Garcinia pushpangadaniana</i> Sabu <i>et al.</i> P. S. Shameer, K. B. Rameshkumar, A. R. Sivu, T. Sabu, N. S. Pradeep and N. Mohanan	123
8	Diversity of Malabar Tamarind ( <i>Garcinia gummi-gutta</i> (L.) N. Robson) in the Western Ghats- Morphological and phytochemical evaluation P. S. Shameer, K. B. Rameshkumar, T. Sabu and N. Mohanan	132
9	Phytochemicals and bioactivities of <i>Garcinia indica</i> (Thouars) Choisy- A review R. Ananthkrishnan and K.B. Rameshkumar	142
10	Phytochemicals and bioactivities of <i>Garcinia gummi- gutta</i> (L.) N. Robson- A review V. Anju and K.B. Rameshkumar	151
11	Gamboge- The bark exudate from <i>Garcinia</i> species Siji Aral and K.B. Rameshkumar	162
12	Nutrient properties of important <i>Garcinia</i> fruits of India Utpala Parthasarathy and O. P. Nandakishore	170
13	Antioxidant and antibacterial activities of <i>Garcinia</i> species in the Western Ghats A. P. AnuAravind, T. G. Nandu, S. Shiburaj and K. B. Rameshkumar	179
14	Antioxidant and cytotoxic activities of Fukugiside- The major biflavonoid from <i>Garcinia travancorica</i> Bedd. A. P. Anu Aravind and K. B. Rameshkumar	187
15	Molecular characterisation of <i>Garcinia</i> species in the Western Ghats A. R. Sivu, N. S. Pradeep and K. B. Rameshkumar	196
