Disclaimer

The publishers assume no responsibility for the views, statements and opinions expressed by the authors

Submission of Manuscripts

The papers should be submitted in duplicate (one original along with a soft copy in MS Word and PDF) which includes illustrations, quality photographs (300 dpi, in JPEG format), the name, full address, telephone and fax number and email address of the corresponding authors. Manuscript should be typed in double spaced (11pt, Times New Roman).

Submissions can be sent by e-mail also.

If the paper is not accepted for publication the same will be returned to the authors.

Preparation and Organization of Manuscripts

Language of the journal is English. Papers should be neatly typed and double spaced on one side of A4 size paper with at least 3cm left margin and 2.5 cm right, top and bottom margins. Page number should be given at the upper right hand corner. Paragraphs should be triple spaced. For review papers, the authors can use appropriate section headings of their selection.

Title

The title of the paper including name and address of the authors should be placed on the first page of the paper, not exceeding 20 words. It should be short and informative (15pt, Times New Roman).

Authors

Name of authors to be typed in first letters capital (10pt)

Abstract

All papers including short communications should contain a brief account on objectives, relevant observations and conclusions. Scientific name of the plants should be written in italics with author citation. Maximum words in the abstract should be limited to 250.

Keywords

Keywords should be placed after the abstract (9pt, italics).

Main Text

The main text should contain abstract, introduction, methodology, results and discussion, conclusion, acknowledgements (if any), followed by literature cited.

Literature Cited

References should be listed in alphabetic order.

Journal

Barnes P J 1996. Is immunotherapy for asthma worthwhile, *N Engl J Med*, 33: 531-532.
