### Disclaimer

The publishers assume no responsibility for the views, statements and opinions expressed by the authors.

## GUIDELINES TO AUTHORS

### Submission of Manuscript:

Articles should be submitted in triplicate (one original and two copies along with soft copies in MS Word) which includes illustrations, quality photographs (300 dpi), the name, full address, telephone and fax numbers and email address of the corresponding author. Manuscript should be typed in double spaced (11pt, Times New Roman).

### Submission can be sent by e-mail also (soft copies in MS Word and pdf).

If the paper is not accepted for publication the same will be returned to the authors.

### Preparation and Organization of Manuscript:

Papers should be double spaced with at least 3cm left margin and 2.5 cm right, top and bottom margins. Page number should be given at the upper right hand corner. Paragraphs should be triple spaced. For review papers, the authors can use appropriate section headings of their selection.

### Title:

The title of the paper should be placed on the first page of the paper, not exceeding 20 words. It should be short and informative (15pt).

### Author(s):

Name and address of authors to be typed on the first page of the paper just below the title in initials first and first letter capital (10pt) .

### Abstract:

Abstract including Short Communications should contain a brief account on objectives, relevant observations and conclusions. Scientific name of plants should be written in italics with author citation. Maximum words in the abstract should be limited to 250 (11 pt).

### Keywords:

Key words should be placed after the abstract (9pt-Normal).

### Main Text:

The main text should contain introduction, methodology, results and discussion, conclusion, acknowledgements (if any), followed by references cited (11 pt).

### References:

References should be listed in alphabetic order.

### In-text citation:

The in-text references should be cited in Name-Year system (Harvard system).

### Journal

Barnes P J 1996. Is immunotherapy for asthma worthwhile, N Engl J Med, 33: 531-532.

Brahmachari H D and Augusti K T 1961. Hypoglycemic agents from Indian indigenous plants. J. Pharmacy and Pharmacol. 13: 381-382.

Rao G M, Rao C V, Pushpangadan P and Shirwaikar A 2006. Hepatoprotective effects of rubiadin, a major constituent of *Rubia cordifolia* Linn. J. Ethnopharmacol. 103(3): 484-490.

### Chapter

Papillo F J and Shapiro D 1990. The Cardiovascular System, In: Principles of Psychophysiology: Physical, Social and Inferential Elements, edited by Cacioppo T J, Tassinary G L. Cambridge University Press, New York. 456-512.

### Book

Sharma P V 1990. Dravyaguna Vijnana. Chaukhambha Bharati Academy, Varanasi. 2: 46-48.

### Table:

Table should be sequentially numbered and cited in the text as Table 1 or Table 1 and 2. They should be placed on respective pages.

### Page Proof:

Page proof of the paper is sent to the corresponding author for proof correction. Authors are requested to return corrected proof within a week to the editorial office. Only typesetting errors may be corrected. Extensive alterations may delay publication.

### Reprint:

One copy of the journal in which the article appeared will be sent to the corresponding author as gratis.

### Cover Photograph:

Authors are encouraged to submit for eventual selection as a cover photograph, glossy prints of high quality preferably of 15 cm x 10 cm size in horizontal format.

### Communication of Manuscript and Correspondence

All manuscripts and correspondence may be addressed to the Managing Editor:
