GUIDELINES TO AUTHORS

The papers should be submitted in duplicate (one original along with a soft copy in MS Word and PDF) which includes illustrations, quality photographs (300 dpi, in JPEG format), the name, full address, telephone and fax number and email address of the corresponding authors. Manuscript should be typed in double spaced (11 pt, Times New Roman).

Submissions can be sent by e-mail also. If the paper is not accepted for publication the same will be returned to the authors.

Preparation and Organization of Manuscripts
Language of the journal is English. Papers should be neatly typed and double spaced on one side of A4 size paper with at least 3 cm left margin and 2.5 cm right, top and bottom margins. Page number should be given at the upper right hand corner. Paragraphs should be triple spaced. For review papers, the authors can use appropriate section headings of their selection.

Title
The title of the paper including name and address of the authors should be placed on the first page of the paper, not exceeding 20 words. It should be short and informative (15 pt, Times New Roman).

Authors
Name of authors to be typed in first letters capital (10 pt, Times New Roman).

Abstract
All papers including short communications should contain a brief account on objectives, relevant observations and conclusions. Scientific name of the plants should be written in italics with author citation. Maximum words in the abstract should be limited to 250.

Keywords
Keywords should be placed after the abstract (9 pt, italics).

Keywords
Each manuscript should contain a minimum of 5 and a maximum of 10 keywords. All keywords should be placed in alphabetical order. For example: "AIDS, AIDS virus, CD4, CD8, gamma interferon, Cytotoxic, gp120, gp160, CD8+ T cells, immune response" is a correct keyword list.

Main Text
The main text should contain abstract, introduction, methodology, results and discussion, conclusion, acknowledgement (if any), followed by literature cited.

Literature Cited
References should be listed in alphabetic order.
